Transurban's Anzac Day Salute to Diggers

Transurban, the owner of Hills M2, will waive tolls for war veterans and current Defence Personnel traveling to and from ceremonies on Anzac Day.

M2 Operations Manager, John Collier said "Waiving M2 tolls is a simple way to thank our Diggers, as well as current servicemen and women. Like all Australians we appreciate their bravery and the sacrifices they have made, and still make, for our nation"

The toll waiver period will commence at 3:00am on Tuesday April 25 and will end at midnight the same day.

"If you're entitled to have your M2 toll waived, then make sure you drive into a tolling lane which is staffed by a toll booth attendant – these are marked as 'change given' lanes. Show the attendant your service medals and they will exempt you from the toll. Alternatively, if at least one passenger in the vehicle is wearing a military uniform, the attendant will waive the toll for that vehicle," said John Collier.

Motorists who have a Tag and are entitled to the toll waiver must also use the 'change given' lanes to receive their exemption.
