

Roadwork Alert

IMMEDIATE RELEASE

10 March 2011

M2 Upgrade Roadworks and Lane Closures: 14-20 March

The following lane closures will be in effect on the Hills M2 for the week commencing Monday, 14 March to facilitate roadworks as part of the \$550 million Upgrade Project.

In addition, there will be lane closures and contra-flow arrangements in the Norfolk Tunnel every night from Monday to Saturday for the life of the project.

| Date | Time | Direction | Lane closed | LOCATION ON MOTORWAY | | | | |

M2 Upgrade

Works this week include the installation of temporary noise walls and concrete barriers, line marking adjustments, demolition of the Christie Road Bridge median and inspection of motorway control system at the eastbound on-ramp near Windsor Road.

“Motorists are encouraged to plan their trip as work continues to upgrade the Hills M2 Motorway and changed speed limits are in place,” a project spokesman said

“The Hills M2 Motorway management apologise for the delays during construction and thank motorists for their patience.

“The project team will seek to minimise impacts; however, as the M2 Upgrade is the largest project undertaken on an operational motorway in New South Wales, some delays can be expected over the two year construction period.”

Further information
