Hills M2 Upgrade Roadworks and Lane Closures: 17 – 30 Oct

The following table shows lane closures that will be in effect on the Hills M2 from Monday, 17 October until Sunday, 30 October 2011 to facilitate roadworks as part of the \$550 million Hills M2 Upgrade.

The rescheduled closure of the Christie Road bridge over the Hills M2 motorway from 8pm on Saturday, 22 October to 8am on Sunday, 23 October is no longer required.

Works over the coming fortnight, weather permitting, include:

- installation of girders at Terrys Creek Bridge
- pavement strengthening (cross-stitching)
- relocation of barriers
- works supporting the motorway control system

“Motorists are reminded to plan their trip as work continues to upgrade the Hills M2 Motorway and changed speed limits are in place,” a project spokesperson said.

“The Hills M2 Motorway management apologise for the delays during construction and thank motorists for their patience.

“The project team will seek to minimise impacts; however, as the Hills M2 Upgrade is the largest project undertaken on an operational motorway in New South Wales, delays can be expected over the two year construction period.”
