

## Roadwork Alert

IMMEDIATE RELEASE

25 November 2011

### Hills M2 Upgrade Roadworks and Lane Closures: 28 Nov – 11 Dec

The following table shows lane closures that will be in effect on the Hills M2 from Monday, 28 November until Sunday, 11 December 2011 to allow roadworks as part of the \$550 million Hills M2 Upgrade.

Excavation work in the citybound tube of the Norfolk Tunnel is continuing on weekends until mid-2012. This work will be carried out from 8pm on Saturdays to 5am on Mondays. Traffic will be diverted to the westbound tunnel with at least one lane in each direction remaining open. Motorists should expect delays.

The Herring Road and Lane Cove Road on ramps at North Ryde will be closed from 10am to 5pm on Sundays to control the flow of traffic onto the motorway during the tunnel excavation works.

Other changed traffic conditions on local roads include:

**Barclay Road bridge:** 8pm on Thursday, 1 December until 5am on Friday, 2 December traffic lanes will be realigned from the eastern to the western side of the bridge. Traffic control operators will be in place to direct motorists.

- **Beecroft Road bridge:** from 8pm Friday, 2 December until 7am on Saturday, 3 December there will be partial lane closures to facilitate concrete pours and tensioning work. Reduced speed limits will remain in place across the bridge until 5am on Monday, 5 December.

Works over the coming fortnight, weather permitting, include:

- Girder (beam) installation on Darling Mills Creek bridge and Yale Close bridge
- Tunnel excavation
- Lane realignment under Murray Farm Road Bridge
- Scaffolding works at Christie Road Bridge
- Pavement strengthening (cross-stitching)
- Installation and removal of concrete barriers

“Motorists are reminded to plan their trip as work continues to upgrade the Hills M2 Motorway and changed speed limits are in place,” a project spokesperson said.

“The Hills M2 Motorway management apologise for the delays during construction and thank motorists for their patience.

The project team will seek to minimise impacts; however, as the Hills M2 Upgrade is the largest project undertaken on an operational motorway in New South Wales, delays can be expected over the two year construction period.”

#### Further information

For more information on the Hills M2 Upgrade, visit [www.hillsm2upgrade.com.au](http://www.hillsm2upgrade.com.au) or contact 1800 196 266 or via [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au).

The Hills M2 and Eastern Distributor will be cashless from 30 January 2012. For more information, call Roam Express 13 26 76 or visit [www.roamexpress.com.au](http://www.roamexpress.com.au).

For up to date traffic information contact the Transport Management Centre at [livetraffic.com](http://livetraffic.com) or 132 701.

For up to date information on bus services contact 131 500 or your bus service provider: Hillsbus (02) 9890 0000 or Busways - (02) 9625 8900.
